No		
Nothing		
Excellent experience in mauli college all staff are supportive and helpful		
All the experiance is good, I have been satisfying what i learning there .		
Reading observation		
Teachers should prefer to explain diagrams in the projecter		
Nothing suggestion all good		
mauli callege		
More ICT methods should be used. Teacher should conduct more demo lesson. They should assess students at regular intervals and guide them more in practical application of concepts		
.1. Use better graphics and visual media to engage students well2. Try to reach every student and ask for their doubts3.Make teaching two way interaction.		
Such an amazing experience that I completed b.ed in this college best teacher staff friendly nature cooperative encourage us		
I learn here in various aspects and This institution Develop my personality and Make me more stronger and smarter not to only survive in world But they teach me How to How to overcome from any situation and make own Foot print in this world		
Excellent		
Very good		

Institution provide multiple opportunities to students for learning.

Exalted
Nothing all are good
E.learning
Over apl observation is very excellent
Good study& learning
1.All staff are very cooperative 2.Helpfull
Excellent teaching and other activities
Everything is excellent
My collage experience is good
Not at all But 1 thing i would like to say make all students familiar with each other some
Overall performance is very good so their is only one suggestion use more languages to communicate with student so their confidence Will increase.
Teachers are very helpful
Teacher's are very helpful
Provide fast internet connection, arrange employment seminar, start sports week
 The infrastructure of college is quite good. Well learned teaching staff. Everyone gets equal opportunity for learning and development.

Nothing any suggestions

Everything is best from institute

Very good teaching.. staff and principal sir are very supportive and cooperative..

This institution help me to improve my own skills and develop my personality upto excellent teacher standards.

1) The teachers as well as the Principal of the college is very co-operative. 2)In case of any type of submission there are reminders given time to time. 3) College focuses on the overall development of the students

Very Good

No improvement

Teaching is very good

1) observation methods 2) practical method 3) child mind methods

Everything is good.

College has provided best facilities

Good
